

Learn how to draw like Picasso

GUITAR

Activity sheet

360 Education Pte Ltd

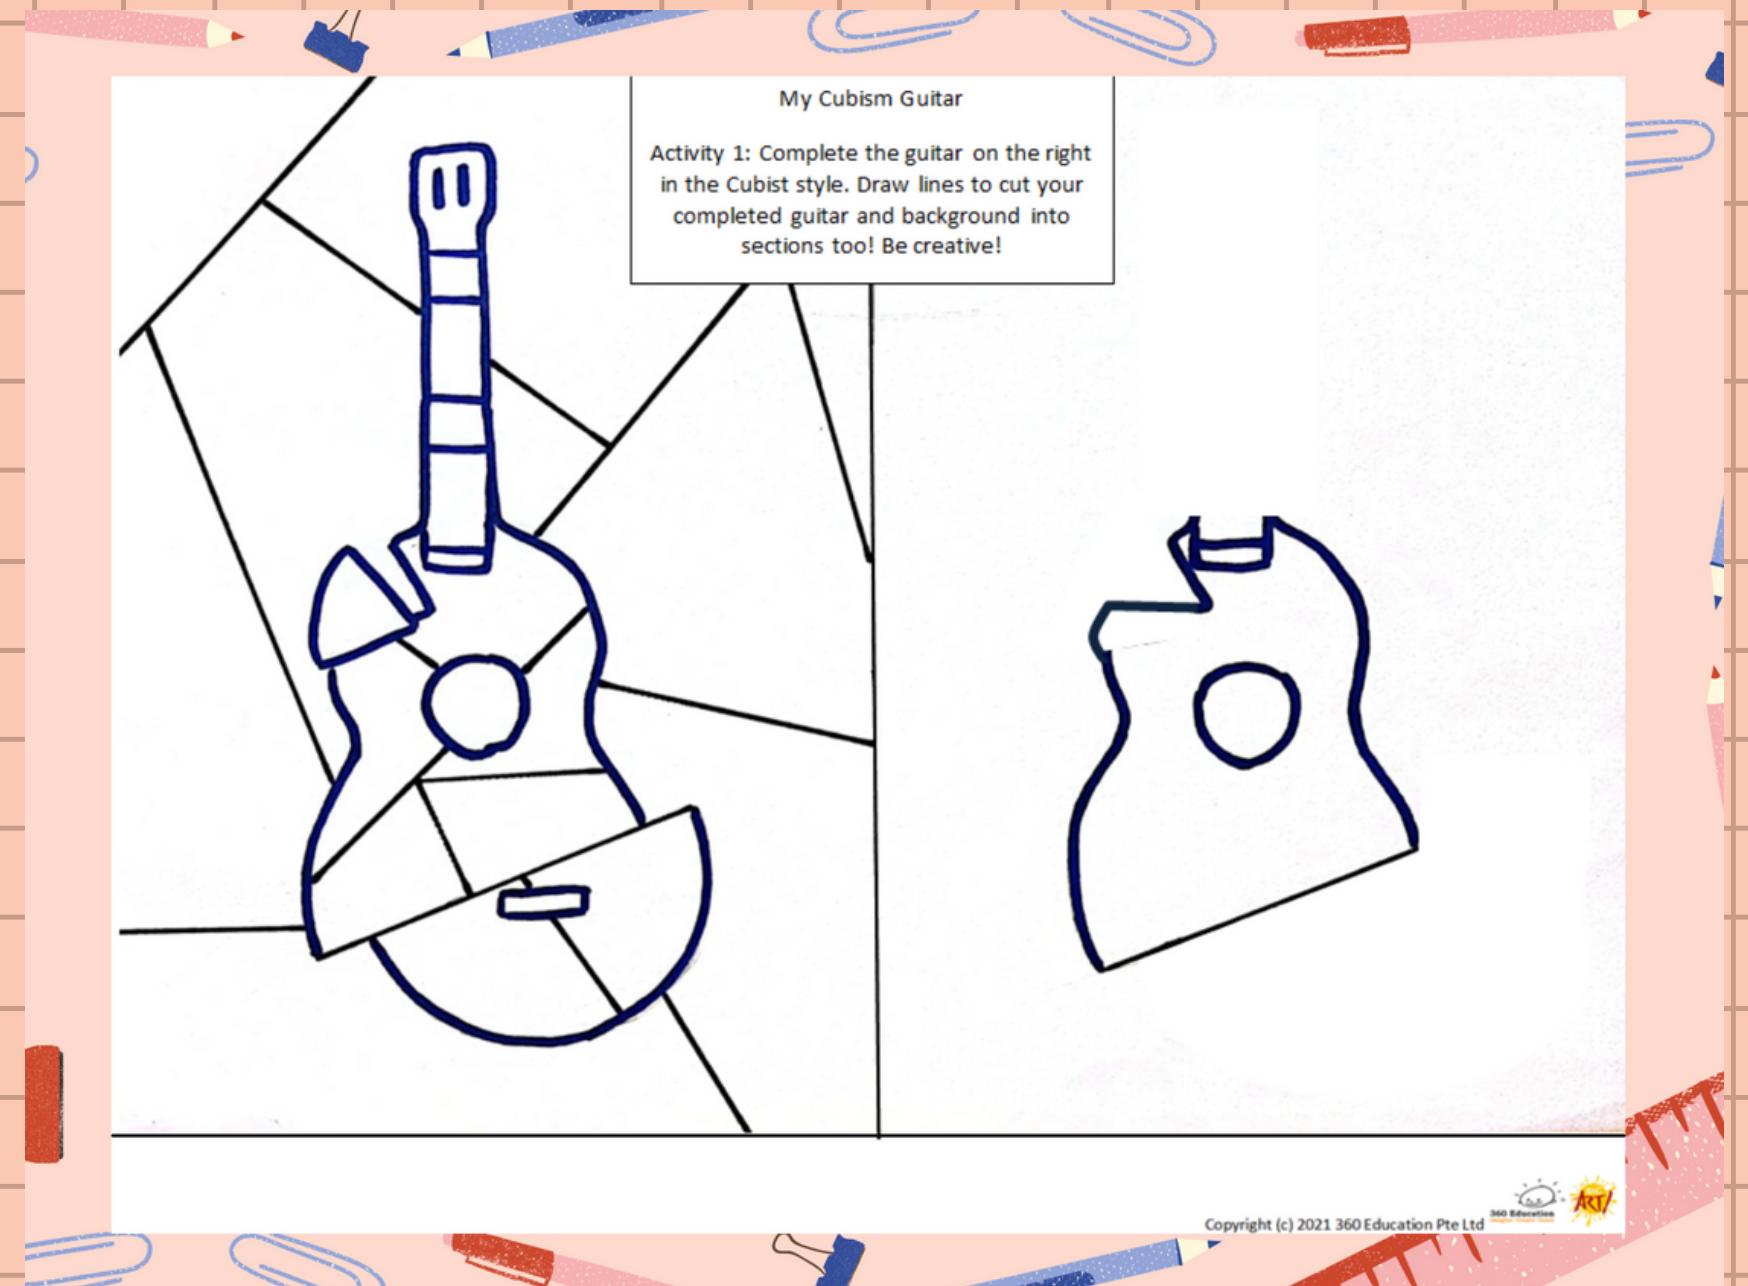

ACTIVITY 1

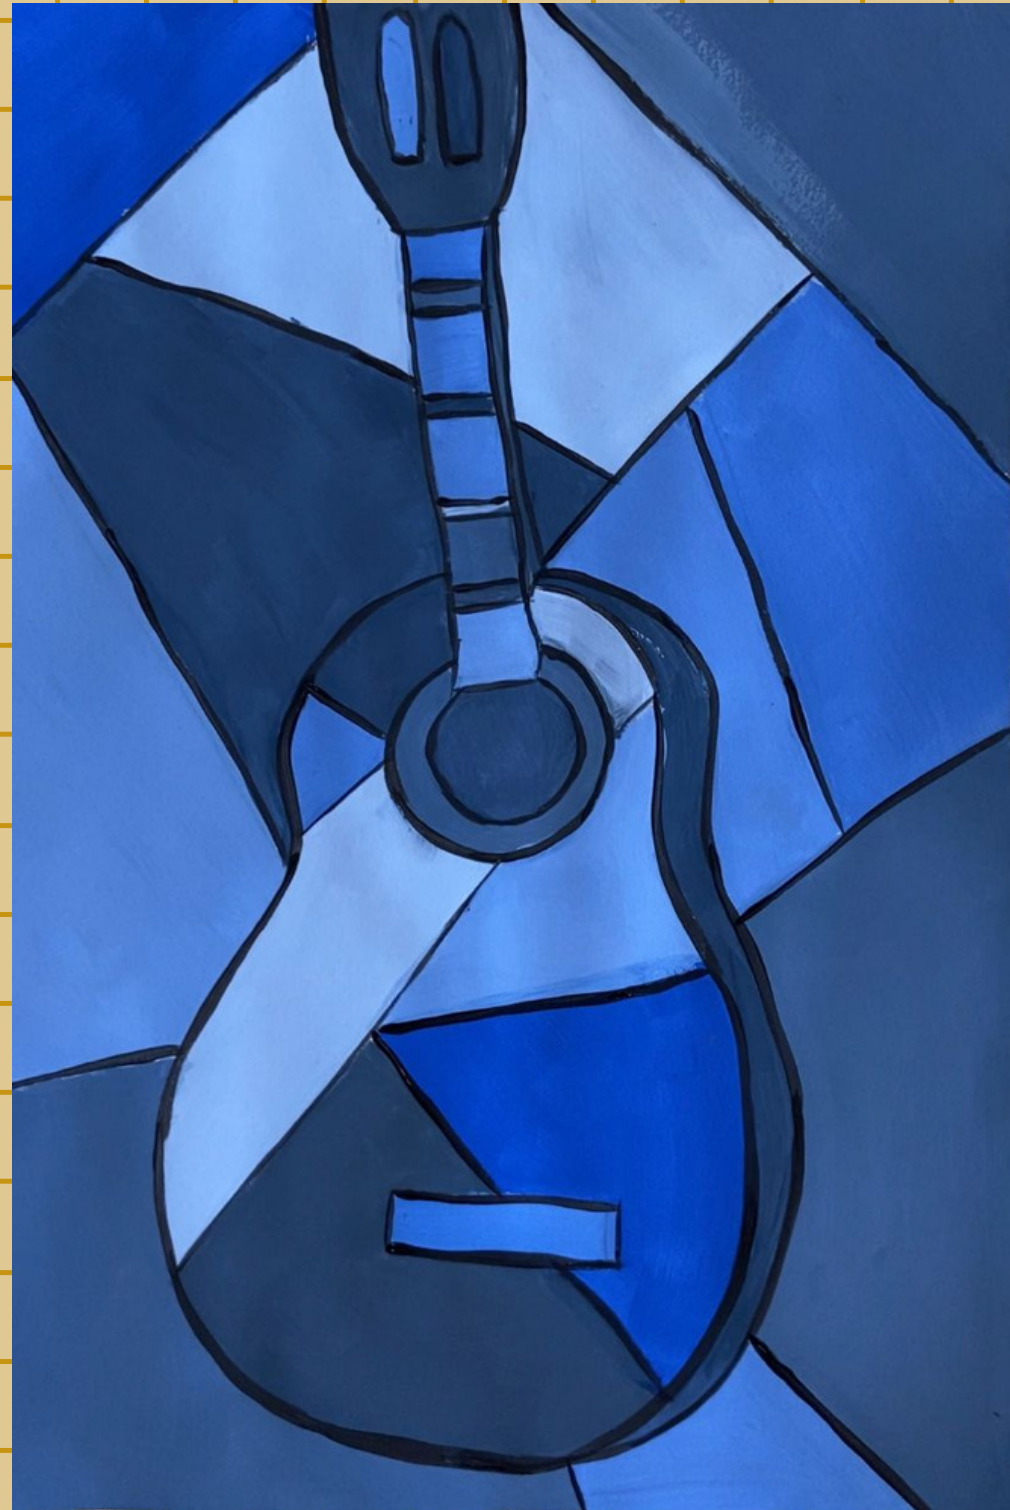

Practicing Cubism

Instructions:

- Use a 2B pencil to complete the guitar on the right and draw lines across the guitar and background to split them into sections.
- You can refer to my example on the left.
- This is for you to practice your Cubism technique!

ACTIVITY 2

- After watching the video and practicing Cubism, you can start on your Guitar artpiece!
- Follow the instructions in the lesson plan to draw your guitar, and don't forget to split the drawing and background into sections before painting!
