

Learn how to draw like Picasso

THREE MUSICIANS

Activity sheet

360 Education Pte Ltd

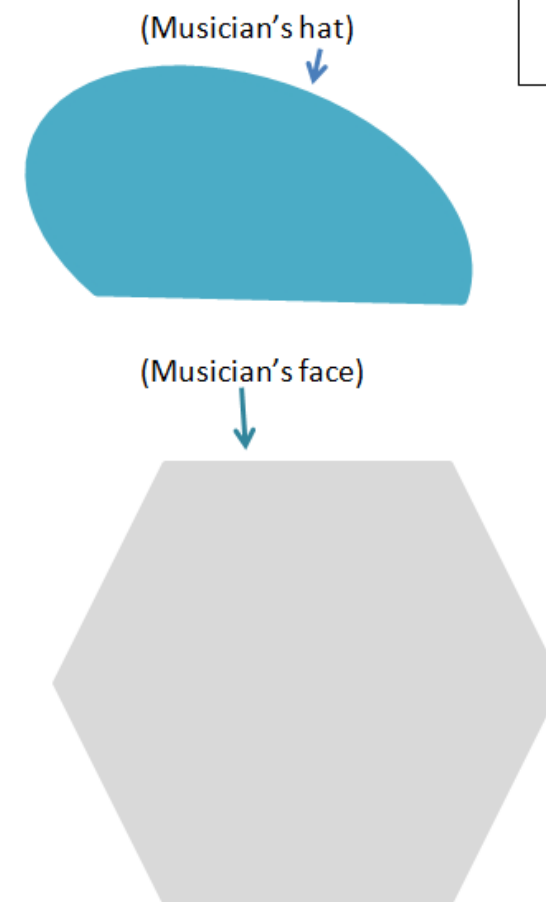

ACTIVITY 1

Practice cutting out the musicians and instruments with our printable activity sheet!

Instructions:

1. Use a scissors to cut out the colored shapes.
2. Use glue to paste them onto a new piece of white paper to make the musician's face and instruments!
3. You can refer to my example on the 2nd page of the worksheet!

1.) The Musician's face

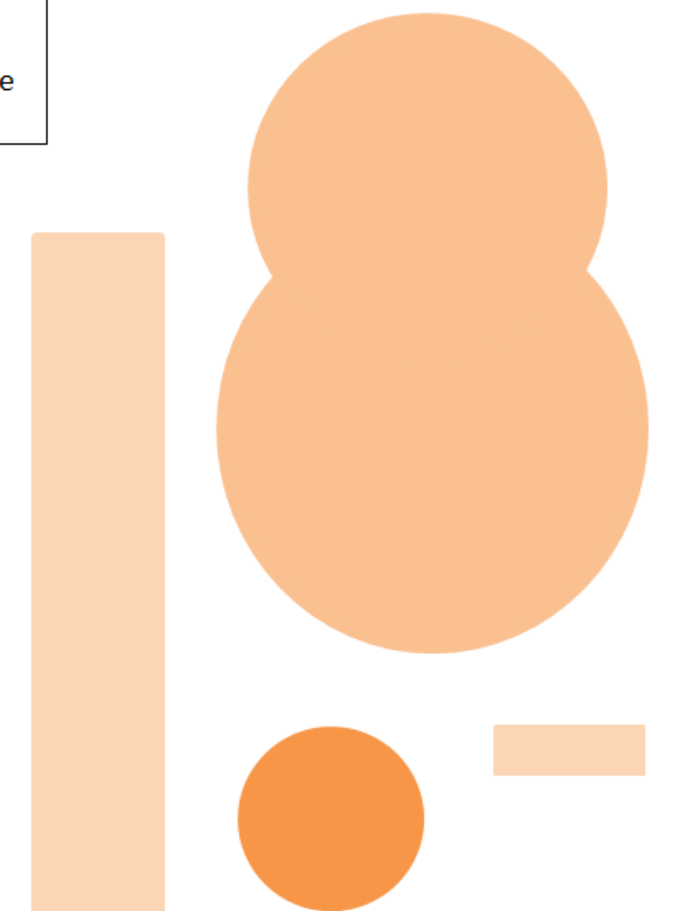

Three Musicians

Activity 1: This is a practice activity. Cut out the shapes with a pair of scissors and use glue to paste them on a new piece of white paper. You can follow my example on the next page!

2.) Clarinet

3.) Ukelele

ACTIVITY 2

Now you try!

After watching the video and practicing on Activity 1:

Follow the instructions in the lesson plan and draw out shapes such as circles, triangles and rectangles on the colored paper to be cut out.
